 - a) Each qualified policy holder can request \$250 twice each year for specific “group” projects / events.
 - b) Each project / event must stand on its own, and a brief report on the project is required to be submitted back to Thrivent.
 - c) The projects / events must be specific to a Messiah Concert activity.
 - d) Different people must be involved in each project / event, and the dates must be different for each event.

100% of every effort goes to support the “Messiah” concerts this year. Please consider contacting your Thrivent Financial advisor to participate.
